COCKTAIL

HERB GARDEN

Mint, Lavender & Thyme

**Kit includes:
6 soil pellets, 3 wooden stakes,
3 sets of seeds.**

Instructions:

Remove cover and place underneath egg carton.

Place 1 pellet in each egg holder and add 2 tablespoons of water, wait for 10-15 minutes for the pellets to expand.

Next, stir the soil and press 3-4 individual seeds about $\frac{1}{4}$ " deep, pinch soil to cover seeds and water again very lightly. Water daily or as needed to maintain

a moist but not soaking wet environment.

Place a way from air-conditioners or cold, non-insulated windows.
